## PREAMBLE

Noorut-Tawheed Generic Academy (NTGA) is a unique school that provides excellent academic education based on authentic Islamic guidelines. It is led by a team of dynamic, sincere and visionary leaders whose aim is to produce confident and competent individuals with a strong sense of Islamic Identity, beliefs, practices and can apply these characteristics to the contemporary world; and also make positive contributions to their society.

## WHY BOARDING?

Environment plays an important role in the lives of individuals and societies. NTGA provides children with an environment in which they can learn and live with Islamic values. The homogeneity of the culture and values of the students and teachers create social and emotional stability which facilitates learning in necessary areas of education (Qur'an, Arabic & English languages, Maths, Sciences e.tc). Our students are taught how to develop a strong sense of belonging to the Muslim Ummah at the same time be among the most remarkable people in the conventional section and to the world at large..

**HOW CAN YOU HELP US??**

We regard education as a partnership between the school and the students home. Both elements are required if the children are to be nurtured physically, academically and spiritually. The emphasis given on Tarbiyya in school needs to be supported and promoted at home too. We equally expect parents to uphold and maintain such values at home. Through this partnership we will be able to provide our children with the support and care that they require.

**VISION**

Absorbing Qur'an in the heart within the shortest possible time and reflecting on its instructions/ teachings while purifying our souls.

**MISSION**

To illuminate and awaken human conscience with the truth of monotheism as well as grooming younger generations that will explore the Shari'ah of Allah in all ramification of life.

**CORE VALUES**

- \* Faith
- \* Honesty
- \* Integrity
- \* Tolerance
- \* Dedication
- \* Discipline
- \* Respect
